

## Peter Kerestes, Chief Executive Officer

Hello and welcome to our eighth edition.

### Key Initiatives

- Code of conduct

The Code is up and running. We await the self-audit questionnaires from a number of you. Six firms have been accredited.

- Directors

Gerald Brown has left iSelect and as a consequence he has resigned as a director of PHIIA. The board is considering a replacement and I will advise when a decision has been made.

- Rebate Legislation

This comes into effect on 1 July 12. Many of you have been working with your clients on any adjustments that may be required.

- Department

Mr Richard Magor has replaced Mr Peter Woodley as the Assistant Secretary Private Health Insurance Branch.
